Key interview questions to prepare for:

1. **Have you applied for an apprenticeship before?** Which areas? How many applications have you submitted?
2. **Why do you want an apprenticeship?**
3. **Why do you want this particular apprenticeship?**
4. **Why do you think you are suitable?** Why should this employer choose you?
5. **What research have you done on this employer?** What do they do?
6. **What do you know about apprenticeships and how they work?**
7. **What challenges do you think you will face as an apprentice?**
8. **What is your current employment or education situation?** Are you working? Are you looking for work? How long for?
9. **What work experience have you had?** If you've not had any work experience, think about the things you've done to meet other challenges or responsibilities at home, at school, or by being involved with hobbies, voluntary work or sports.
10. **What are your career plans?** How do you see this apprenticeship helping you to achieve your career goals?
11. **What would you like to do once this apprenticeship is complete in 12-18 months?**
12. **How far away do you live from the employer?** How will you get to and from work? How long will it take? How much will it cost?
13. **What was your favourite subject at school?**
14. **How would your teachers or tutors describe you if we asked them?**
15. **What do you do in your spare time?**
